

REMARKS

This amendment corrects the non-compliant amendment mailed September 28, 2004 (received 10/01/2004) and includes all original 19 claims as well as five (5) new claims now number 20 to 24.

Support for the housing being made from a plastic material is found in paragraph [0016], line 4 of the specification.

It is submitted that the new claims 20 to 24 are patentable for the reasons set forth in the parent application which resulted in U.S. Patent No. 6,695,001.

Enclosed is a check in the amount of \$160.00 for additional claim costs. The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith to our Deposit Account No. 13-2855, under Order No. 30140/10000A. A duplicate copy of this paper is enclosed.

Dated: November 23, 2004

Respectfully submitted,

By Richard H. Anderson
